## Play Up Guidelines

1. The policy of the Clifton Park Soccer Club is for players to participate with their age appropriate age group, according to the player's birth date. For play-up consideration, the player must be rated as a top impact player in his/her age group. Also, that he/she will rank as one of the projected starters in the age group they are applying to move to and that the play up will be beneficial to the growth of the player. The Coaching Committee and CPSC Board will consider play up request if deemed in the best interest of the players, the Club, and the formation of teams. If a player would like to play up in the upcoming season, the player or player's parent(s) may submit the play up request as outlined below.
2. The player or the player's parent(s) must submit the play up request form no later than April 11th of the season prior to the requested season to be considered to play up. The completed application should be sent to: **CPSC, P.O. Box 377, Clifton Park, NY 12065, and Attn: Coaching Committee.**
3. The members of the CPSC Coaching Committee will evaluate the player to determine if the player's level of ability meets the requirements of the play up level requested and if the player will benefit from playing up at the requested level.
4. The player will attend CPSC tryouts and will begin tryouts within their appropriate age group, unless previous approval has been granted by the CPSC Coaching Committee. The coaching committee members or tryout coordinators have the right to move a player to a different eligible age group during the tryout process.
